Cricket *at Oakham*

Cricket at Oakham

Welcome to Oakham School Cricket. Cricket is one of Oakham's major sports for both boys and girls and is accessible for all our students all year round. Oakham has a rich cricketing history, with numerous Old Oakhamians achieving international honours and first class status, the most prominent being Stuart Broad.

Our fantastic team of cricket coaches is made up of members of the common room as well as highly qualified visiting cricket coaches. This gives our students access to quality support, whether that is indoors during the winter, the outdoor astroturf Blezzard nets, grass nets or our first class playing surfaces.

Oakham is well placed to support our students with a strong network of links to academy and franchise cricket. We are proud of our close relationships with Leicestershire CCC and The Blaze; both clubs using our facilities for training and matches.

Cricket Opportunities

- Three term cricket opportunities for boys & girls.
- Promotion of female players into year group 'A' teams where appropriate
- One-to-One specialist sessions during the school day & before or after school.
- Indoor winter programme, including high profile visiting coaches for specialist sessions.
- Return to school cricket sessions in September.
- Targeted National & County Cup team entries for boys and girls teams from U12 to U18.
- Experienced and enthusiastic coaching team.
- Boys and Girls exposure to MCC through matches and help with MCC membership applications.
- Extensive inter-school fixture list for all abilities.
- Extra high profile fixtures for boys and girls 1st XI teams.
- Annual inter-school BOWS cricket festival for U18 boys & girls.
- Pre-season programmes for all ages.
- Softball & Hardball cricket options available to cater for all levels of cricketing ability.
- Close links with local clubs, pathways & counties.
